

Volunteering at Food Bank Tesco - Credition with TTTP 30.11.17

A good activity, EN did really well, on arrival scored 8/10 feeling anxious and 1/10 on leaving. ! She also met the HR man who may have a job for her but she is 17 yrs old and it's a 6am start but they are looking into this.

She interacted with a member of the public and did great work sourcing products for the Charities they were collecting for.
